If you make a payment before any date specified we will not credit you with that payment against the amount you owe us until the date the payment is actually due. What Could Happen if You Fail to Meet Your Commitments

Security interest

This is a secured loan. We will have a security interest in the Motor Vehicle described on the front page. If you fail to meet your commitments under this contract, we may be entitled to repossess and sell the Motor Vehicle. If we sell the Motor Vehicle and there is not enough money after the sale to cover what you owe us, you will, or may, remain indebted to us for the amount you would still owe.

You should also note that if you give someone else a security interest over the Motor Vehicle you will be in breach under this contract and we may repossess and sell the Motor Vehicle and/or we may do anything else as set out in clause 13 of the General Terms of this contract.

Default interest charges and default fees

In the event of a default in payment and while the default continues you must pay the default interest charges. In the event of a breach of this contract or on the enforcement of this contract, the default fees specified below are payable. The General Terms of this contract allow us to vary these fees and charges.

Default interest is 5.00% over the annual interest rate or 18.00% p.a. whichever is the greater, and this default interest rate is payable in the event of a default in payment and while the default continues.

Default fees:

\$ 13.00	Payable if any payment is dishonoured or reversed or unpaid
\$ 17.00	Payable on issue by us of a repossession warning notice
\$ 100.00	Payable on issue by us of a repossession warrant to our repossession agent
\$ 50.00	Payable on issue by us of a post-repossession notice

Full Prepayment / Early Termination

If you pay the unpaid balance in full before the final payment is due (**full prepayment**) or if this contract ends because we (the Creditor) have taken enforcement action against you if you are in default under this contract, you may be required to pay a fee or charge to compensate us for any loss resulting from the full prepayment or because this contract ends early because of your default. You will also have to pay our administrative cost relating to the full prepayment. Our administrative cost is \$25.00. The General Terms of this contract allow us to vary this cost.

The amount you may have to pay to compensate us for the loss is calculated using the formula prescribed in regulation 9 of the Credit Contracts and Consumer Finance Regulations 2004, but the formula for calculating the value of forgone payments in regulation 9 (2) is changed as follows:

The value of forgone payments (VFP) is calculated by totalling the resulting PV's of each forgone payment. Each PV is calculated by applying the following formula:

$$PV = \left(\frac{p}{\left(1 + \frac{i}{12}\right)^{\left(\frac{12}{365} \times d\right)}} \right) \quad \text{where -}$$

PV	is the present value of the forgone payment
p	is the amount of each payment payable under the fixed rate contract
d	is the number of days between the due date of each forgone payment and the date of full prepayment
i	is the annual fixed interest rate determined in accordance with regulation 9 (4) and (5) of the Regulations and expressed as a decimal fraction

OTHER INFORMATION

About This Agreement

This agreement is about the loan we (the Creditor) are providing to you to enable you to buy the Motor Vehicle described on page 1.

How to Read This Agreement

The agreement is this contract between you and us (the Creditor) set out in the Specific Information (above) (which includes the Disclosure Statement (above)), the Other Information and the General Terms. The agreement also includes any changes we agree to.

Start Date / Interest Start Date

You acknowledge that the credit under this agreement is provided to you on the Start Date and Interest Start Date (referred to on page 1) being the date:

- (a) You took possession of the Motor Vehicle; or
- (b) (Where you have not taken actual possession of the Motor Vehicle) the Motor Vehicle was made available for you to take possession.

Taxes and Duties

1. If you are not a registered person at the date of this agreement but subsequently become registered for the purposes of Section 51 of the Goods and Services Tax Act 1985 and the Motor Vehicle is used in the furtherance of a taxable activity within the meaning of Section 6 of that Act you must immediately furnish to us your Goods and Services Tax registration number.
2. If at any time during the term of this agreement there shall be:
 - (a) any change in any applicable law, regulation or regulatory requirement relating to depreciation deductions for tax purposes, or in the interpretation or application thereof; or
 - (b) any requirement by law or regulation to make any tax deduction, withholding or payment from any amount paid or payable by you under this agreement; or
 - (c) a requirement on us by law or regulation to make any payment, on account of taxation (other than taxation on our overall net income), duty, levy or any other matter, on or in relation to any amount received or receivable by us under this agreement;which shall reduce the net return to us from this agreement, then we shall be entitled to increase the payments due under this agreement by an amount which will realise to us an after tax rate of return equal to the after tax rate of return which we would have realised had none of the matters referred to in (a) to (c) inclusive above occurred. If during the currency of this agreement as a result of the occurrence of any of the matters referred to in (a) to (c), we shall receive an increased rate of return after tax, we may, in our sole discretion, reduce the payments due under this agreement.
3. Where the rate of GST on supplies made by us under this agreement changes after the date of this agreement, the amount you must pay us shall change accordingly. For example, if the change is an increase, you must pay us an additional amount so that the net amount retained by us after GST is accounted for equals the amount which would have been retained in the absence of the change. The additional amount on account of the GST increase shall be due at the same time as the payment to which it relates.
4. In any case where this agreement does not specify whether an amount ("the original amount") payable or indemnified by you is plus GST or inclusive of GST, you shall be required to pay us or indemnify us against an additional amount on account of any GST payable by us with respect to the original amount and the additional amount.

You acknowledge that we may, at any time and without telling you first, set off against any money we may owe you (eg. any credit balances in any account you have with us) any money you owe us or any liability you may have to us on any of your accounts with us.

Verification Statement Waiver

Electronic Disclosures and Other Communications

You consent to us making disclosures to you, sending notices, certificates, letters and statements and other communications to you electronically to your email address above or any other email address you give us in writing. However this only applies where we are allowed to do so at law.

GENERAL TERMS

What Is Your Agreement With Us?

The **agreement** is this contract between you and us and is set out in the Specific Information, the Other Information and the General Terms set out here. Our agreement also includes any changes we might agree to. You agree to the matters set out in these General Terms.

The meanings of some words and phrases are located under the heading "*What Do Some Words & Phrases Mean?*" in clause 26.

Our Security Interest In The Vehicle

1. You give us and we take a security interest (to secure the payment of all money you owe us and the performance of your obligations under this agreement and any other agreement you may have with us), which we will register under the PPSA, in:
 - The Vehicle;
 - Any proceeds of the Vehicle. "Proceeds" is defined in the PPSA. For example proceeds will include any insurance money you may get or be entitled to in relation to the Vehicle.

Other Things You Should Know About Your Payments

2. You must make the payments to us in the amounts and at the times as set out in the Disclosure Statement. You must not make a deduction from any payment for any reason.
3. If a payment falls on a day which is not a Business Day you must make the payment on the next such Business Day.

What If You Want To Repay Early?

4. You can pay the unpaid balance and all other amounts you may owe us under this agreement in full at any time before your final payment is due. If you do we may require you to pay us a fee or charge as set out under the heading "*Full Prepayment / Early Termination*" in the Disclosure Statement.

However, because we may not receive the benefit of any early payment by you until the Business Day after you make it, interest will continue to be charged to your account, and will be included in any repayment statement we give you, until the Business Day after your payment.

Early Repayment By Trade-In

5. If your account is repaid early because you use the Vehicle as a trade-in when you purchase another vehicle, clause 4 will apply so that interest will be charged to your account, and be included in any repayment statement, until the Business Day after the trade-in is made. This is especially likely to apply if the trade-in takes place in a weekend.

You Might Have To Pay Fees & Charges

6. You will pay the credit fees and charges and default interest charges and default fees set out in the Disclosure Statement, if any of them apply to you. These will be debited to your account and you must pay these to us on demand. We can also vary these fees and charges if we consider that to be necessary. This means we can change the amount of the fee or charge or add a new fee or charge. We will tell you of any change or addition.

Things You Need To Do Relating To The Vehicle

7. As we have a security interest in the Vehicle there are various things you agree to. These are:
 - a. **Maintain the Vehicle:** You must keep the Vehicle in good condition and working order (fair wear and tear excepted), carry out all maintenance and servicing in accordance with the Vehicle manufacturer's specifications and otherwise not do anything that could cause the value of the Vehicle to deteriorate.
 - b. **Comply with laws:** You must comply with all laws and regulations affecting your possession and use of the Vehicle. This includes, making sure the Vehicle has a warrant of fitness or certificate of fitness, is registered and that you pay all fines and any charges in relation to the Vehicle (eg. road user charges). You must only use the Vehicle for the purpose it is designed for.

- c. **Not modify:** You must not modify the Vehicle, remove any accessories or change its registration plates without our prior written consent, which we are not obliged to give.
- d. **Allow inspection:** You will let us inspect and test the Vehicle at a reasonable time and at a location specified by us when we ask. We will give you reasonable notice.
- e. **Do not affect our Security Interest:** You must not do or allow anything that might affect our security interest in the Vehicle. For example, you must not part with possession, conceal, disassemble or take the Vehicle outside New Zealand, sell, lease or dispose of the Vehicle, do or not do anything that would cause or otherwise create, allow to be created or permit a security interest in the Vehicle other than ours.

What You Need To Know About Vehicle Insurance

8. **Keep Vehicle Insured:** You must insure and keep the Vehicle insured for its full replacement value with a reputable insurance company against all loss, damage and other usual vehicle risks. You must make sure the insurance policy notes our interest in the Vehicle and names us as loss payee. You will supply us with full details of the insurance when asked to. You must make sure the insurance is not affected in any way, for example you must not let a person who does not hold a full license drive the Vehicle otherwise than in accordance with the law.
9. **Keep us informed:** You must tell us straight away if the Vehicle is stolen or damaged.
10. **What happens if there is loss or damage:** If the insurer does not remedy any loss or damage to the Vehicle or it is stolen, we are entitled to receive any money payable under the insurance policy or from any other person responsible for the loss or damage. We may at our discretion use that money towards:
 - a. meeting the costs of the damage and if the proceeds are not enough to repair the damage, you will pay us on demand, the additional amount required to repair the damage; or
 - b. paying the unpaid balance and all other amounts you owe us under this agreement, whether or not the payment date has arrived and if there is a shortfall you will pay us the amount of the shortfall on demand. If there is an excess we will pay that excess to you.

Things We Might Do To Protect Our Interests

11. If you don't do things you agreed to under this agreement or we need to do things to protect our interest in the Vehicle, we may do these things on your behalf and your expense. Any moneys we have paid will be debited to your account and you will pay these to us on demand. For example, if you do not insure the Vehicle we may arrange the insurance and debit the premium to your account.

When Would You Be In Default?

12. You would be in default if:
 - a. You do not make a payment under this agreement on time; or
 - b. You have not done anything else you agreed to, or have done or allowed something you should not have, under this agreement or any other agreement you may have with us; or
 - c. We have reasonable grounds to believe that the Vehicle has been or will be destroyed, damaged, endangered, disassembled, removed, concealed, sold, or otherwise disposed of contrary to the provisions of this agreement; or
 - d. What you have told us or given us is untrue or misleading; or
 - e. We have reasonable grounds to believe we were induced to enter into this agreement by fraud by you or someone else; or
 - f. Anyone else has, or claims, a security interest or lien in the Vehicle; or
 - g. You become insolvent, or steps to make you become insolvent are taken by you, or any other person; or
 - h. Any judgment of any Court or Tribunal remains unsatisfied for more than 14 days.

What Then Happens When You Are In Default?

13. If you are in default, then subject to any relevant law:
- The unpaid balance and all other amounts you owe us under this agreement may become immediately due for payment on demand by us; and/or
 - We may take possession of the Vehicle and enter on to your property or any other property (as your agent) where the Vehicle might be to take possession of it, whether or not you or any other person is present at the time; and/or
 - We may sell the Vehicle; and/or
 - We may charge you the default interest charges and/or the default fees in accordance with, and as set out in, the Disclosure Statement and/or
 - We may charge you the fee calculated in accordance with the formula set out in the Disclosure Statement under the heading "Full Prepayment / Early Termination"; and/or
 - We may exercise any other rights we may have at law and under this agreement, including the right to sue you for moneys owing and enforce any other security we may have.

Other Things You Should Know

14. **How we can exercise our rights and powers:** We can exercise all our rights, powers and remedies under this agreement or at law in any way we think appropriate. For example, we can do anything under this agreement at once or after a time, or more than once. If we do not do something when we are able to, that does not mean we are giving up that right, power or remedy and we can still exercise it later.
15. **Recording conversations:** We can record all telephone conversations and other electronic correspondence we have with you, and may use such recordings for the purposes of this agreement and otherwise as agreed by you in the Other Information.
16. **Our statements as evidence of amounts you owe:** If we send you a statement or certificate about any amount you owe us in connection with this agreement, that statement or certificate is sufficient evidence of the amount, unless you prove the amount to be incorrect.
17. **More than one of you?** If more than one of you is named as the Customer on page 1, each of you is independently liable to us in connection with this agreement. This means, for example, we could require one of you to pay on demand without asking the other.
18. **We can assign:** We can assign our rights under this agreement to any person or entity and if we do you agree that we may disclose any information we have about you to that person or entity.
19. **No assignment by you:** You may not assign your rights under this agreement without getting our consent first which we might not give.
20. **Notices:** Notices, certificates, approvals and other communications must be in writing. These may be given by us to you in any way that is permitted by law.
21. **Conflict:** If there is any inconsistency between something we say in these General Terms, the Specific Information and Other Information, what we say in the Specific Information and Other Information will apply instead.
22. **Indemnify us:** You will indemnify us, to the maximum extent permitted by law, for any costs, losses or expenses we incur (including those of any third party we might need to pay like costs on a solicitor/client basis and court or tribunal charges including time and other cost spent by us in relation to hearing attendances) if we have to enforce our rights or protect our security interest under this agreement; or if you fail to do anything you should have done or you do something you should not have done under this agreement. You will pay us any such amounts on demand.

23. **Do anything we ask you to do:** You will do all reasonable things we ask you to do to protect our interest under this agreement and the Vehicle.

24. **Law:** New Zealand law and jurisdiction applies to this agreement.

25. **Warranty regarding information:** In signing this agreement, you are warranting that you have provided us with all information relevant to the Vehicle's intended use and purpose, and that any information you have provided as to the Vehicle's intended use and purpose is correct to the best of your knowledge.
